

Pet Application / Registration - Atria

Instructions

- Pet registration is required for small dogs, a small caged bird, or a fish in a secure aquarium;
- Pet approval is required for any other type of pet;
- Pet registration/approval must be actioned before moving in with a pet;
- Please fill out one form for each pet;
- A photo of the pet owner carrying the pet must be submitted with this form;
- Forward the completed form and photo to the Building Manager/ Strata Manager; and
- The pet owner may attend the next Strata Committee meeting to address any questions. Attendance is recommended if there are any special issues or prior complaints.

Conditions

- The registered by-laws of the scheme must be adhered to at all times. Please contact Strata Sense if you do not have a copy of your by-laws;
- Consent will not be given to a vicious, aggressive, noisy or difficult to control pet. The Owners Corporation may order you to remove the animal if you fail to comply with the by-laws;
- Tenants must have the written permission of the apartment owner or the owner's agent to keep the pet;
- Pets must be carried or suitably restrained when on common property;
- A pet is not permitted to relieve itself on common property; and
- Cat litter must be bagged and disposed of directly into the bins in the garbage room;

Description of Pet:

Agreement

I have read and understand the conditions upon which permission to keep an animal at Atria may be granted and undertake to abide by those conditions. I further understand that permission may be revoked if the animal is kept in breach of any by-law or additional conditions stipulated as part of the approval.

I have attached a photograph of my pet and I to this application form.

Tenants only: I have attached to this application written permission from the apartment owner and/or their agent for me to keep a pet in the apartment. *(Application will not be considered unless written permission is attached.)*
